**Re: Junior Cycle Mock Examinations**

6<sup>th</sup> January 2025

Dear Parent/Guardian,

I am writing to you with information regarding the fee for the Junior Cycle mock examinations that will take place during the first two weeks of February.

Over the years, feedback from both students and teachers has consistently highlighted the value of having mock examination papers set and marked by external examiners. This approach offers students the most accurate representation of the formal exams in June, providing invaluable preparation for their final assessments.

The cost of the Junior Cycle mock exams is €140. For students studying fewer than nine Junior Cycle subjects, the cost will be €125.

This price covers;

- The provision of the examination papers
- The provision of the examination stationery
- Marking of the examination scripts by external markers
- Post and packaging
- Administration costs.

Early next week, a text message will be sent to parents with a link to the online payment system. We would appreciate it if this fee could be paid no later than Friday 24<sup>th</sup> January 2025

Yours sincerely,

DR ALAN KINSELLA
