

# Post Junior Cert Progression 2024-25

Dear 3<sup>rd</sup> Year Student & Parent/Guardian,

Following on from the TY & 5<sup>th</sup> Year Subject information meeting held in early March, we are now asking 3<sup>rd</sup> Year students to let us know whether they intend progressing into Transition Year or 5<sup>th</sup> Year in September 2024. Please make your selection on the form below. This form must be completed and returned to the school office, on or before **Friday 15<sup>th</sup> March 2024**.

Those students wishing to do Transition Year may be required to complete a more detailed application at a later date. Should the number of applicants for Transition Year exceed the number of available places, a selection process will be used to allocate places.

Those students who intend progressing into 5<sup>th</sup> Year will be required to select their Leaving Cert subjects via the link sent to their email. This form should be completed in the presence of a parent / guardian.

Students have also been working with their Guidance Counsellor to help inform that selection.

Please indicate below whether you intend to progress into Transition Year or 5<sup>th</sup> Year after completing your Junior Cert.

**The deadline for the return of this form is Friday 15<sup>th</sup> March at 2pm.**

I wish to do Transition Year
