

Base Classrooms for Students

Below are the base classrooms for our students.

1st Year students: When you arrive on Monday 31st August, there will be senior prefects on duty to show you where to go.

Students in 1st, TY & 5th Year will be notified via text message in advance of starting to let them know which class group they are in.

When students arrive in the school, they must go straight to their base classroom and remain there until class begins. They cannot congregate on the corridors or walk around the school.

(Scoil Rois side).
