Dear Parent/Guardian,

CAO Information Meeting for Parents

As you are aware, our 6th Year students are approaching the time to complete their CAO applications for places in third-level education. To provide you with valuable information on this process and to enable you to support your daughters effectively, our Career Guidance teacher, Ms. O'Callaghan, will be hosting an informational meeting on **Thursday, 28th November 2024, at 7:00 pm** in the school.

At this session, Ms. O'Callaghan will cover key details about the CAO application process, along with important information on college options and financial planning. We encourage all parents to attend, as the insights shared will be beneficial for planning your daughter's future education. 6th Year students are also welcome to attend the meeting.

Mock Exams

The mock Leaving Cert exams will take place in February 2024. The cost of these will be in the region of €150 per student. These exams are set and marked by external agencies as this simulates most closely the real exams. This payment will not be due until early February.

Regards
