Re: Parents Information Meeting re Post-Junior Cycle Progression

Dear Parent/Guardian,

As your daughter approaches her Junior Cycle exams and the conclusion of her three years in Junior Cycle, an important decision lies ahead regarding the next stage of her education—Transition Year or 5th Year.

In the coming weeks, students and their parents will be asked to make this choice. To support you in this process and to assist in the discussions you will be having with your daughter, we will hold an **information meeting for parents on Tuesday, 25th February at 7:00 PM in the school**. This meeting will provide an overview of both options, helping you make an informed decision.

We strongly encourage all parents to attend, even if your daughter has already expressed a preference for either TY or 5th Year. Experience has shown that students often reconsider their choices, and attending the meeting will ensure that you are well-informed and prepared to guide these discussions effectively.

I look forward to seeing you on the 25th of February.

Regards,

DR ALAN KINSELLA
