RE: 5th Year Subject Choice & Transition Year Information Meeting

For all Parents/Guardians of 3rd Year students who are either going into TY or 5th Year.

Dear Parent/Guardian,

The school will hold a joint 5th Year Subject Choice and Transition Year information meeting for the parents of 3rd Year students on **Wednesday 6th March 2024 at 7pm in Rosary Hall**. This meeting will outline important information about both the Transition Year programme and 5th Year subjects, and will help parents and students make an informed decision as to the most appropriate path to take after Junior Cert. This meeting is for Parents/Guardians only as students will attend a separate information session during school time.

It is important that at least one parent of each student attends this meeting, even if at this stage your daughter is undecided on her path forward. The transition from Junior Cycle to TY or 5th Year is hugely significant and it is important that parents receive all the relevant information to ensure that the best decision is made for and by their daughters.

We in the school would very much encourage all students to do Transition Year as it can have a significant impact on their level of preparedness for Leaving Cert and subsequently, their final results. For those who will progress straight into 5th Year, the process of subject choice is very important so that the correct and most appropriate decisions are made.

We look forward to seeing you there.

Regards,

CIAN O DOHERTY
