Dear Educator,

We are writing to let you and your students know about the ATU-Galway ICT Summer Camps that we will run this summer.

The camps are **free of charge** (funded through the HEA ICT summer camp funding). **Lunch will be provided each day and we will have prizes**!

Students can expect days of fun with technology that are inclusive, and we will strive to ensure that everyone has a great time and a positive experience. Topics, dates, times, etc. are as follows:

TITLE	CAMPUS	DATES	TIMES	STUDENTS	CAPACITY
Game Design & Development	Galway, Dublin Rd.	27th to 30th June	9:30 AM - 3:00PM	2nd level pre/junior cert (1st, 2nd, and 3rd year)	18
RoboDevCamp	Galway, Dublin Rd.	28th to 30th June	10:00AM - 3:00PM	2nd level pre/junior cert (1st, 2nd, and 3rd year)	16
Industrial Robot programming Camp	Galway, Dublin Rd.	27th to 30th June	10:00AM - 3:00PM	2nd level pre/junior cert (3rd year)	20
Digital Construction for Architecture and Engineering	Galway, Dublin Rd.	27th to 30th June	10:00AM-3:00 PM	1st to 5th year	22

Places will be offered prioritising DEIS schools and on a **first-come basis**. To ensure that we get a wide diversity of new participants please note that **applicants may select only one camp** and we will verify that they **did not attend** previous ATU/GMIT Computing Camps.

Please share this information with any interested students. For those who may wish to attend, please advise them that a **parent or guardian will need to complete this form**: link.

Thank you for your assistance and support. We look forward to meeting and welcoming some of your students to ATU-Galway this summer.

                Yours truly,
                ATU-Galway Camp Leaders and Student Liaison Office
                summercamps.galwaymayo@atu.ie
